AMAZON RESTAURANT

Each restaurant in the Amazon Restaurant chain is designed to represent the ambience, vegetation and atmosphere of a tropical rainforest, including its lush vegetation, sounds, waterfalls and streams. The entire Amazon Restaurant building is themed with rock, vegetation and waterfalls in such a way that it is never overlooked by the diner, who will always have the feeling of total immersion in the Amazon landscape.

When you walk through its doors you will feel transported to the most unknown Amazon.

The Amazon restaurant is also an oasis of flavours waiting to be discovered. Enter an unknown world, a unique experience for the senses, full of spectacle, music and energy
